CGUHSD Internet Filter Policy

Filter Setting Definitions

www.cguhsd.org

Setting	Function
Permit	Permits access to all sites in the selected category.
Block	Blocks access to all sites in the selected category.
Limit by Quota	Lets the user continue and view the site or view any other site in a quota category for a short time.
Continue	Lets the user continue and view the site for a limited amount of time. Default is 60 Seconds.
Block Keyword	Blocks sites whose URLs contain keywords assigned to the category set (see Keywords).
Block File Types	Blocks files having extensions associated with file types assigned to the category set.
Bandwidth	Blocks internet content based on bandwidth usage associated with the URL categories governed by a filtering policy. For example, a policy blocks the sites in its category set if total network bandwidth usage exceeds 50% of available network bandwidth.
